Member Collaboration

Save time and money! The knowledge and resources you need are just a call or click away. Ask a question on the community. Participate in the CLE programs or search the document library.

Participate in ASMAC's workgroups and committees.

Consult with colleagues on the group forum.

Find colleagues easily in the member directory.

Your Source for CLE

Education by members for members! ASMAC programs are intended to provide practical insight that will have a positive impact on your entire organization and the clients/members you serve

Targeted in-depth CLE programs that focus on physician and medical association law.

Access member-only recorded programs at your convenience.

Health Law 360

Gain Industry Insight! When ASMAC members from private firms, state medical associations and national medical associations collaborate, the depth of industry knowledge and understanding is magnified.

Participate in roundtables and member discussions.

Learn about emerging healthcare issues and how members are meeting the challenges nationally and regionally

This is just the tip of the iceberg!

ASMAC membership will not only expand your knowledge and skill, but will also enhance your ability to bring the latest ideas, news, and opportunities to your organization and physicians.
